

Attitude Adjustment Declaration

"I declare the Perfect will of God over my life today; I declare the Life of Jesus over my day! I declare today that as for me and my household, we will serve the Lord. My desires and passions are aligned with His desires and passions for me, and I declare that nothing appeals to me that would not appeal to Jesus.

I know that without faith it is impossible to please God, so today I ask you Lord to strengthen my faith, and I affirm that I choose to trust in the Lord with all my heart today, and I walk according to the Spirit of Faith.

I declare an open heaven over my life in Jesus' name! I am going to have a super fantastic day today because I am too blessed to be depressed. I too blessed to be stressed. I'm too glad to be sad and I'm too anointed to be disappointed. I'm too cheerful to be fearful.

Today I declare that I believe in the goodness of the Lord within every detail of my life, and my family's life. I walk according to the Law of the Spirit of Life in Christ Jesus and not according to the law of sin and death. Today I choose to speak words of life and walk in a manner worthy of the calling to which I've been called. I seek the Spirit of Holiness today Lord.

I ask you Lord for your complete protection over my family today against accident, incident, injury, disease and illness, sexual, emotional, spiritual, physical and financial damage. Place a hedge of protection Lord around myself and my family today from the wiles of the evil one and all demonic powers in Jesus' Mighty Name.

I declare that according to the Word of God I am seated together with Christ in the heavenly realms, far above all principality and power, and as such I use my delegated power in the name of Jesus to silence and nullify any attack, plan or harassment of the enemy against me or my family's life today.

Circumstances are aligning themselves in my favor, because I'm walking in the anointing of the Spirit of Favor....I anticipate meeting the person or group of people who are willing to use their anointing, power, their wealth and influence to help me achieve my dreams. All day long, people will go out of their way to help me.

I am healthy, physically fit, spiritually, emotionally and intellectually equipped. As I walk in the Spirit, the blood of Jesus cleanses me from my transgressions, and heals me from any diseases lurking in my body. As I encourage myself in the Lord, I take on an attitude of gratitude today. I take on courage, and though I have weaknesses, God's strength is manifest and evident in my life today.

I have wisdom far beyond my years. I am an extraordinary person with incredible abilities that I will use to add value to other's lives because I know that in helping others reach their dreams I will automatically reach my own.

Today I will add great value to someone's life. I will show compassion to those in need. I will give strength to the weak and inspiration to the weary. I will walk in Discernment from the Holy Spirit, and I hear His voice as He guides my life decisions.

The blessing of the Lord brings richness to me and He adds no sorrow with it. I embrace abundance and it embraces me. I am abundant in every good way. I am an abundance magnet. God the Father is my source of money. He causes money to be attracted to me, and it comes abundantly from many sources.

I manage my money wisely because money is a tool I will use to help those in need.

I am experiencing great victories, supernatural turnarounds and miraculous breakthroughs in the midst of great impossibilities.

I am an overcomer. When I speak to mountains they are removed! If my mountains can't be removed, if I'm supposed to climb over the mountain, I will develop and practice my mountain climbing skills.

I may experience a setback but setbacks are only setups for comebacks. Setbacks pave the way for comebacks. I will make lemonade out of life's lemons, and if life dares to knock me down I will receive God's strength and perseverance to always get back up. I reject ever having the attitude of a victim – I always look for, and find, creative and resourceful solutions.

There is nothing lost in the economy of God. I may have made mistakes in the past, but God will turn them full circle so that they will serve my future success, because He is my Redeemer.

I commit to paying for my dreams so that I will not have to live with my nightmares. I do not procrastinate because procrastination leads to devastation. It is the assassination of my destination, thus I act now. I am a doer. I get results that last.

I now release the champion that is inside of me. I release that inner winner. I am the leader that multitudes of people are looking for. I choose to succeed today and everyday hereafter." Amen
